

## Jr. Hockey Experience

The Cambridge Rivulettes Women's Junior hockey team would like to invite teams (Rookies to Atom) to take part in their Jr. Hockey Experience. The Jr. Hockey Experience includes:

**The Fan Tunnel:** Your team will be the ones to help pump-up the Rivs in the pre-game by forming the "Fan Tunnel". The Fan Tunnel will get to high-five all of the Rivs as they come on the ice at the start of the game.

**Bench Warmers:** Your team will get to watch the warm-up from the best seat in the house, the Rivulettes bench! Your team will suit up in their helmets and watch how these future stars warm-up for their game.

**Intermission Game:** During the second intermission, two teams participate in a 7 minute on-ice game or a shoot-out relay.

**Dressing Room Tour:** Following the game, your team is invited to meet the Rivulettes, get autographs and tour their dressing room.

\*This program is an excellent support vehicle for the association and allows the participating players a first-hand look at Women's Junior Hockey.
