8. All Championship games will be played to a winner with the OT & Shootout format, while Semi-final & Quarter-final games will go directly to a Shootout. Prior to the start of any Championship, Semi-final or Quarter-final games, each coach must designate their first 8 shooters (S1 – S8) on the game sheet should a shootout be required to decide a winner, there will be no flood for OT or Shootouts.

I. In the event of a tie at the end of regulation play, a five minute sudden victory overtime will be played 4 on 4. All player changes must be made 'on the fly'; no player changes will be allowed during stoppages of play. Penalties incurred during the 5 minute overtime must be served as usual. ONE (1) penalty would result in 4 on 3 play, while TWO (2) penalties would result in 5 on 3 play.

II. In the event that a player receives a penalty during the 5-minute overtime, that player will not be eligible to participate in the shootout, the coach will be allowed to designate a replacement if that player was S1- S8.

III. If the game is still undecided, a best of 3-player shootout will follow, (S1, S2, S3). Teams will not change ends for the shootout, and the Visiting Team will shoot first, alternating from team to team. After each team has taken their first three (3) shots, if still tied, a 'sudden VICTORY' shootout will proceed starting with S4, until a winner has been decided. A shooter will not be allowed to shoot for the second time until after all players on the team with the shortest roster have taken a shot.

9. Coaching staff will select the **THEIR team's GAME** MVP for each game, players are to line up on the Blue's after handshake and Ref's will hand out.
